

ST. AUGUSTINE HEALTH CAMPUS
Continuing the Healing Ministry of Christ

May 2008

Dear Friends,

On Friday, August 22, 2008 St. Augustine Health Campus will host the Tom Kemer Memorial Steak Roast as part of its annual Feast Week Activities. All proceeds from this year’s event will put the finishing touches on the *Life Enriching Gardens* project. With the excavation currently underway, your support will provide the amenities – benches, gliders, planters, trees, shrubs, and lighting - needed to transform a portion of the parking lot into beautiful park-like healing gardens for the elderly, sick and disabled residents to enjoy.

This spectacular event will include a delicious dinner, beer, wine, music, dancing, raffles, silent auction, sideboards and more. Approximately 500 are expected in attendance.

St. Augustine Health Campus is home to 248 residents ages 18-102 in need of sub-acute, skilled nursing, and long-term care due to stroke, M.S., traumatic brain injury, HIV/AIDS, and a variety of age related needs.

The *Life Enriching Gardens* will provide a secure, tranquil environment where residents can “escape” from the bricks and mortar of the building. These gardens will provide a peaceful setting that includes areas for meditation, reflection, gardening and social interaction.

We are asking for your support through an in-kind donation of goods or services, of a raffle or auction item or for a sponsorship for one of the garden elements.

St. Augustine Health Campus, a non-profit, 501C(3) organization (tax ID #34-1040692), was founded in 1969 by the Catholic Diocese of Cleveland to provide care to those in most need regardless of financial status – 80% are low income. St. Augustine Health Campus has been recognized by the Ohio Dept. of Health for providing outstanding care and services.

On behalf of the residents, the real beneficiaries of your generosity, **WE THANK YOU!** For more information contact the Development Office at 216-939-7602 or visit www.staugustinemanor.org.
