Staff Honored for Outstanding Service to the Aging

(Cleveland, OH) They don't have high profile jobs. They don't play professional sports, make million dollar sales or pound the halls of Congress. They go home tired, they do the work that no one else will do, and rarely are they recognized for the commitment and joy they bring to the lives of those in their care.

Recently, five front-line employees from St. Augustine Health Campus were among those honored as STARS in their profession at a special luncheon hosted by AOPHA, the advocate for not-for-profit services for older Ohioans.

Tracy Barno, LPN
Carmen Delgado, Receptionist
Denita Grandberry, STNA
Melvin Pitts, Housekeeping
Adam Fredmonsky, P.A., Assisted Living

These employees were nominated by seniors, their families and their peers for their excellent work ethic, and a commitment to serving residents with a caring spirit, compassion and dignity. The luncheon recognized STARS from not-for-profit providers in our region.

St. Augustine Health Campus has been serving the needs of older adults and the chronically ill for over 41 years. As a faith-based, non-profit organization, St. Augustine provides in-patient and out-patient rehabilitation, short – and long-term care, skilled nursing, home health care, assisted living and Hospice care. St. Augustine has been recognized on annual surveys by the Ohio Department of Health for providing outstanding Care and Services and is rated number two in the State for customer and family satisfaction.
