**CLEVELAND, OHIO**—The Ohio Department of Education has awarded the St. Augustine Manor Child Enrichment Center a two-star rating (out of 3 stars) as part of the Step Up to Quality Program. Out of the approximate 800 centers in Cuyahoga County, only 23 (including ours) has a 2-Star rating. Ratings are based on numerous criteria such as the educational content is aligned with the Ohio Early Learning Content Standards, current education level of staff, continued specialized training, and developmental screenings of students.

The Child Enrichment Center, located on the St. Augustine Health Campus at 7801 Detroit Ave, Cleveland, is licensed by the State of Ohio to serve infants beginning at 6 weeks through pre-school. A school-age program for children (5-12 years) is also available during the summer months and on most holidays.

Our mission is to provide quality programming in a safe environment that nurtures the child and supports the family relationship. The Center participates in the Step Up To Quality (Ohio's Voluntary Quality Rating System) and Early Learning Initiative (a collaboration between the Ohio Department of Education-ODE and the Ohio Department of Job and Family Services-ODJFS) programs.
