

Life Enriching Gardens

St. Augustine Health Campus will break ground on a new secure park-like garden area for Residents in the Fall of 2007. You can be a part of this "Life Enriching Garden" and create a permanent legacy by purchasing a commemorative brick paver.

The brick pavers are available in a 4x8 for \$50 and 8x8 for \$100 and will be placed in the beautifully landscaped seating alcoves.

This is a perfect way to honor a family member or friend, commemorate a special event in someone's life or memorialize someone special.

Please note: A limited number of bricks are available. Initial order will be placed on July 13, 2007.
